**Part 1:** Congratulations! The United Nations has just recognized a new country, (your name here)-topia! Develop a policy for your country addressing **one** of the following:

- Nuclear Non-Proliferation
- AIDS in Africa
- Climate Change
- Situation in Syria
- Global Food Shortages

Include what your nation believes about the issue, what action your country like to see taken, what other nations would agree with you (based on their policy) and what nations would disagree. Be sure to use examples from international precedents and to **thoroughly support your country's policy and your opinion**. Make sure your response is double space, 1 1/2 - 2 pages typed.

**Part 2:** What will you bring to Model UN?

Tell us why we want you! You can express this in a short essay in the space below, or express it in any way you want. Consider a video, photo essay, or song.
