# Why Sponsor Royal Oak Model United Nations?

Model United Nations is a debate team students in middle school and in high school. It is an extra-curricular team that has earned a state, national, and now international reputation.

Model United Nations, now the most popular form of debate in the world, is also one of the most academically challenging for high school students. In it, students:

- ◆ Improve skills in public speaking, research, critical thinking, and debate
- ◆ Improve understanding of global issues and the complexity of the international system
- ◆ Learn geography, international law, and economics
- ◆ Learn the basics of diplomacy: compromise, caucusing, and consensus-building,
- ◆ Learn both cooperation and leadership
- ◆ Learn the UN structure and aims

## What Will Sponsorship Do For You?

Your support of Royal Oak Model United Nations will be of direct educational benefit to students. In addition, the type of sponsorship you create may be defined as you wish, from a year of publication of your support up to special programs our students will create for your group. We have some ideas for you! We would love to hear yours!
